ABOUT THE RAMESHWARAM GROUP OF INSTITUTIONS

Rameshwaram Group of Institutions came into being in the year 2002. It is crossing a mile stone year after year to achieve its goal. Over the years, it has earned a good name and reputation in the field of education. The Rameshwaram Group established premier institutions of Engineering(Polytechnic, B.Tech, M.Tech) Pharmacy (B.Pharm., M.Pharm & D.Pharm), Management (MBA) & Deptt. of Education (B.Ed., M.Ed., & BTC) and CBSE affiliated school upto 10+ 2 level respectively.

ABOUT THE WEBINAR:

Teaching profession is the noblest profession and Teacher is a decent person. Bal Ganga Dhar Tilak proudly proclaimed that he would prefer to be a Teacher rather than becoming the Prime Minister of free India. Task of the Teacher is to prepare everyone for the life of dedicated service. Our ancient centres of learning were worshiped as the Goddess of learning. Now it can not be safely said that our University, Colleges, Schools are preparing the Students for the challenges of life, morally and spiritually. Very often it is said that campus of learning centers has eclipsed the spirit and purpose of Education and belittled the relationship between the teacher and taught. The “pay and use” syndrome has started eroding the age-old tradition of “Guru Devo Bhava”(गुरुदेवो भव) A tremendous responsibility rests upon the Teachers. The Teacher is the key man on whom the future of children and the mankind depends.

Education without vision is waste, Education without value is a crime and Education without mission is life burden. Values are sensitizing factor in human behaviour. Our action depends upon the dominant value we have. Truth, Love, Ahinsha, Positive Attitude, Feeling of Togetherness, Protecting Nature, Respect to fellow beings, Honour to Female (नारी सम्मान), tolerance, Service to Family & society feeling of Vasudhav Kutumbkam, these all are related to human qualities. Our Vesas have emphasised on (मनुर्भव) The Traditional values lead to complete man, cultured man, self-disciplined and self-dependent.
